AMBITION? THIS BOY SCOUT EARNS FORTY-THREE MEDALS, SEEKS MORE

SUBSCRIPTIONS FOR AID LOCAL WORK COME IN FAST

MONEY IS BEING GIVEN SO THAT COMPETENT LEADER MAY BE OBTAINED

Forty-three medals he has won and still not satisfied!

That is H. Benjamin Robison, one of the foremost Boy Scouts in America, who resides at 407 North Louise street, Glendale.

He is preparing to take several more tests for awards which will qualify him in fifty different activities.

That's ambition for you!

Subscriptions to the Boy Scout fund here are now rolling in.

With more than $250 as a nucleus, every man in the community is given the opportunity of supporting the activities of the boys who are members of this big, outdoors, independent order.

As has been told in the columns of The Glendale Evenings News, the local Scout Council solicits the support—not for the boys themselves, but for the employment of a competent leader.

Cash donations will be received by R. L. Kent, secretary, 130 South Brand boulevard. Checks should be made payable to H. Nelson, treasurer, Glendale Scout Council.

Experiecned in Work

H. Benjamin Robison has had much experience in the Boy Scout work which well qualifies him for the position of assistant scout executive here. He has risen from a "tenderfoot" to the highest possible rank—that of Eagle scout.

Robison became a member of Troop No. 1 at Paso Robles in 1916 and in February, 1917, he was rated as a second-class scout. By September he had reached the rank of first-class scout.

In April of 1918 he transferred to Troop No. 2 of Glendale and became the patrol leader of the Bear patrol. In July, 1919, he became a Life and Star scout by reason of having passed 12 merit badge tests.

He reached the final and highest rank, that of Eagle scout, in September of last year, having qualified for 27 merit badges. Since then he has qualified for others which makes a total of 43, one of the highest records held in the United States.

Gains High Rank

It was in January of 1920 that young Robison became assistant scoutmaster of Troop No. 2 and under his leadership the troop has advanced to the high rank it now holds, excelled by few in the United States. The troop boasts of 12 Eagle scouts, four Star scouts and a large number of first-class members.

Robison has received letters of commendation from the National Scout Council staff and the district regional executive, also the Los Angeles county executive. During the summer of 1920 he successfully carried on a camp for 24 boys for eight days on Old Baldy. Also while acting as assistant executive for the Glendale scouts he helped to make Camp Sha-Akins, the council camp, the great success it was.

Local troops have had many hikes and camping trips under his direction and the boys are looking forward with pleasure to his being their acting scout executive. He will maintain a desk in the city hall and will announce his office hours later.

For those who would aid Robison in giving the boys the advantages of the great outdoors again this summer and fall, it is requested that you fill out the coupon found on page 4 of this issue and forward it to R. L. Kent today.

Ace Medal From Congress Given Him

H. Benjamin Robison, the new assistant Boy Scout executive for Glendale, claims an honor which is more than worthy of comment.

He is the only Boy Scout here who holds an Ace medal from congress for war work. This was won both here and in Paso Robles where he first joined the Boy Scouts in 1916, just five years ago.

His father, Benjamin Robison, who is a brick mason by trade, also is a scoutmaster which may be responsible for the son's proclivities.

This Executive Has 43 Merit Badges

H. Benjamin Robison, acting Boy Scout executive for Glendale this year, boasts of forty-three merit badges, to be seen on his right arm. They were awarded for proficiency in the following activities:

Hiking, pathfinding, civics, beekeeping, cooking, carpentry, seamanship, electricity, leather working, personal health, plumbing, life saving, first aid, first aid to animals, machinery, astronomy, pioneering, conservation, masonry, horsemanship, agriculture, stalking, camping, business, safety first, painting, firemanship, craftsmanship, forestry, gardening, mining, music, scholarship, poultry keeping, cycling, bird study, swimming, public health, blacksmithing and handicraft.

LECTURE ON ARCTIC EXPLORATIONS IS EDUCATIONAL

LARGE CROWDS PRESENT AT CHAUTAUQUA; ORPHEUS FOUR ON PROGRAM TONIGHT

That the people of Glendale appreciate an opportunity when afforded them was clearly demonstrated clearly last night at the Chautauqua by the large audience to hear the lecture of Vilhjalmur Stefansson, who is recognized as the world's foremost scientific explorer.

As an introduction to his lecture Mr. Stefansson tried to correct some of the mistaken ideas which people in general have regarded the far north. Most people believe that the far north is continually covered with ice and snow and that the temperature is always severely cold. Mr. Stefansson stated that such is not the case. In the summer the low lands are covered with grasses and flowering plants, and it is only the high mountains that are continually covered with snow.

Tells of Experiences

Another interesting part of his lecture was the telling of how his expedition differed from that of Peary's, who started out with nineteen sleds, twenty-four men and a large supply

Auxiliary Of Church Gives Birthday Party

The regular monthly business and social meeting of the ladies' auxiliary of the First Congregational church, of which Mrs. G. F. Colson is president, took place yesterday afternoon at the church parlors, Central and Wilson avenues, the affair being in the nature of a birthday party in honor of all who were born in the month of May. Of the fifty present the following claimed this as their natal month and were the guests of the day: Mrs. C. M. Van Dyke, Mrs. Eugene Gordon, Mrs. Charles Guthrie, Mrs. D. E. Price and Mrs. A. S. Chase.

The ladies gathered at noon, when a delicious luncheon was served in the banquet hall. The afternoon's program consisted of a short business session, after which sewing was in order.

S. A. Davis Builds For H. Cox And C. Johnson

S. A. Davis will build at once on the one half of his lot recently purchased at 120 West Colorado boulevard for the purpose of housing the workshops of Carl Johnson, an auto top builder, and Hiram Cox, painter. The latter two have leased the building for a term of years and Mr. Cox is moving from Montrose where he has established a successful trade. Mr. Davis will erect an up-to-date washrack, grease racks and polishing station for "dolling-up" motorcars on the other half of his lot.

THIRTY TRAFFIC CASES

City Recorder F. H. Lowe heard thirty traffic law cases in city court this morning. He collected $85.

C. OF C. WORK GAINS ANOTHER INDUSTRY FOR THIS CITY

PLANT BUYS ACREAGE, PLANS TO BUILD FACTORY AND WILL EMPLOY SCORES

Glendale wins another industry!

In the announcement this noon at a meeting of the industrial committee of the Glendale Chamber of Commerce at the White Inn that the Everready Gas Heater company of Los Angeles has purchased four and three-quarter acres along San Fernando road near Vine street of the Grand View section, it is estimated that 100 persons will soon be added to the local industrial payroll.

Already this going concern has a factory at Alhambra which is producing twenty heaters a day, but they are seeking room for expansion in a more desirable location and the sale of the Glendale property was made yesterday by T. B. Young of the Burbank Development company. John B. Reeves is president of the Everready corporation, which is said to be well financed, and H. L. Gilley is vice president and general manager. John B. Watson of Watson & Co., Los Angeles, is their fiscal agent.

Plans of Company

It is the Everready company's intention to first erect a building 50 by 150 feet in dimension which will be the first unit of their new factory. They intend to employ at least 100 skilled men at the beginning and increase their force as a market is developed. Considerable success has been met by their product, it is reported, and there seems to be no reason why this newest industry will not be one of the most successful.

The site selected for the plant is adjacent to the carpet mill and close to the Meneley screen manufactory. It is in direct line with the industrial growth of Los Angeles. As published two months ago in The Glendale Evening News, Mr. Gilley came here looking for a location and Secretary James M. Rhoades was instrumental in securing the necessary land.

W. E. Hewitt, proprietor of the Glendale Laundry and chairman of the industrial committee, also deserves credit for lending influence to the successful culmination of the deal.

Cecil Crandall Leader Alumni Day Orchestra

Cecil Crandall will direct an orchestra of ten to fifteen pieces at the Glendale Union high school Alumni day, June 3, it was announced by Edward Seay, president of the association who was here making plans for the big program. Mr. Crandall also will play some of the old favorites with which he entertained his classmates in years gone by.

Helen Esterly, who is a member of the California Opera company, has promised to sing if it is possible for her to be present. Leo Goode also will sing.

Other than the music the features of the reunion will be a baby show, dance, ball game and art exhibit.

Miss Flora Bates To Make Home In City

Miss Flora Bates, who has been living in Santa Barbara for the last three years, has recently resigned her position in the northern city in order to come to Glendale to make her home with her mother and sister, Mrs. E. M. Bates and Miss Ella Bates of 638 North Kenwood street. As yet Miss Bates has not affiliated herself with any local firm, as she intends to spend the next few weeks taking a much needed vacation. While in Santa Barbara Miss Bates was employed by the Pacific Coast Publishing company, which is one of the lrgest establishments of its kind in California.

Mr. and Mrs. R. Puffer Are Hosts At Dinner

Mr. and Mrs. R. A. Puffer of 452 West Vine street entertained a group of relatives Thursday evening at a dinner party in honor of the birthday of Mr. Puffer. Covers were laid for nine, the table being very daintily and tastefully decorated with a gorgeous American beauty centerpiece and lavender stocks.

After dinner the evening was enjoyed in games and a short musical program, the guests leaving for their homes in Los Angeles at a late hour. Those present at the occasion were Mr. and Mrs. R. A. Puffer, Jr., Mr. and Mrs. H. L. Wiley, Miss Marian Wiley, Miss Janet Wiley and Walther Puffer.

PROWLERS ARE REPORTED

Dr. L. M. Marquam of 355 Oak street reported prowlers about the house last night, according to the police report.

All Dogs Not Muzzled Or Tied Will Be Shot, Is Order Of Trustees

Every dog permitted to run at large on any street in the city of Glendale, unless securely muzzled or led by a chain or line so as to effectually prevent it from biting any person or animal, is subject to be shot.

That's the instruction from the board of city trustees last night. It is effective twenty-four hours after the publication of the official order issued by the trustees. The order is published in this issue of The Evening News.

So, if you value Fido, Mike, Jennie or Ruth—or whatever may be the canine's name—for the love of Fido, Mike, Jennie or Ruth, get a muzzle or a rope.

The order is the result of a request filed with the trustees by Dr. J. E. Eckles, city health officer, to the effect that cases of hydrophobia have been reported in the city within the last month.

At the request of Dr. Eckles the order is to remain in effect for four months. The city marshal is empowered to kill all dogs found unmuzzled or running at large.

South Glendale People Protest Over Plans Of Forest Lawn Company

Residents of South Glendale, headed by Attorney J. G. Owen, appeared before the Board of City Trustees last night to protest against proposed plans of Forest Lawn Memorial park to enlarge its grounds. The hearing was continued for two weeks.

Attorney Owen made a brief statement to the trustees in which he asked for a postponement, declaring that he was confident he could bring a large petition from property owners protesting against the proposed plans. During the course of his remarks he declared that he understood that it was not the policy of the trustees to "consider the wishes of the people."

This caused Dwight W. Stephenson, president of the board, to announce:

"I wish it distinctly understood that this board is at all times ready and willing to hear the citizens. We are ever ready to consider the wishes of the people. We want them to come before us and tell us what they want. I consider the remark of the speaker an insult and refuse to stand for it."

Attorney Owen answered that "no insult is intended," and the matter was dropped after Beverly E. Bassford, secretary for Forest Lawn Memorial park, said he welcomed a public examination of the association's proposed improvement plans and would be glad to attend any hearing arranged by the people of south Glendale.

"I hope the association and the people will get together and agree before the hearing set for two weeks from tonight," commented President Stephenson.

It is claimed by those protesting against the association's plans that the improvement contemplated will interfere with the public school in the cemetery's vicinity and, too, will lower property values.

Charter For Glendale Ready For Operation

The charter of the city of Glendale has passed through all necessary channels, John Robert White, assemblyman, told the board of city trustees last night. He said he had received, in answer to a wire sent by him, a telegram from Secretary of State Jordan notifying him that the charter, which has been ratified by both the senate and the assembly, was filed in the office of the secretary of state, May 11, which completes the transaction. The telegram also stated that a certified copy of the charter was being mailed to Glendale.

Assemblyman White stated also that the charter was ratified by the senate on April 9 and by the assembly on April 25. It does not, he explained, have to be signed by the governor, as rumored.

Incidentally, Assemblyman White has ordered a number of bound copies of the completed document for presentation to the board of freeholders, which drew it, also copies for the trustees, the public library and for other city officials.

The copies for the trustees have arrived and he presented them last night. The remaining copies are expected in a few days.

CONFER ON P. E. SERVICE

B. C. Ashworth and F. F. Ball, engineers for the state railroad commission, were in Glendale yesterday conferring with City Manager T. W. Watson and other officials to get information regarding the Pacific Electric's service to Glendale, for a report to the chief engineer of the commission.

Tea To Be Given To Girls, Baptist Church

There will be another tea given for the girls of Glendale at the Baptist church, Louise and Wilson avenue, at 6 o'clock Saturday evening, May 14. No girl who attended one of the teas for girls during the John E. Brown meetings will miss attending this happy gathering, it is believed. An invitation has been extended to business girls, high school girls and just girls, to bring their own lunch and enjoy the program which has been arranged for tomorrow night. The meeting will adjourn in plenty of time for those who wish to attend the Chautauqua.

HIGH SCHOOL BALL GAME

The game which was scheduled to have been played today between the Glendale and Citrus Union high schools at Azusa has been postponed until Tuesday of next week. This action was taken as a result of the local school's request, the reason being that the game would interfere with preparations for the annual oratorical contest, which takes place tonight at the tabernacle. The members of the team are working hard to make the affair, which is the biggest event of the school year, the best in the history of the institution.

WORDS, YELLS, SONGS TO RAISE RAFTERS AT TABERNACLE

HIGH SCHOOL'S CONTEST IN ORATORY IS TONIGHT; TAKE YOUR EARMUFFS, FOLKS

Oratory again tonight will reverberate through the rafters of the John Brown revival tabernacle at the corner of Harvard and Orange streets

Glendale Union High school class representatives will compete in the twelfth annual "oratorical," an event which is probably unequaled in enthusiasm.

In fact, there are three separate contests in one, as follows:

1. The best declamation by one of the four classmen.

2. The most artistic booth in which each class will be seated.

3. The loudest shouters and heartiest singers among the four classes.

For the first two events there are awards. For the last there is satisfaction of accomplishment. And for the audience there is excitement.

The program, which commences at 8 o'clock, will have as its first feature the promenade of the various classes. Costumes in keeping with the idea expressed by their booths, which will have significance relative to the subject of their contestant, will be worn by the pupils.

The entrance of the Seniors, Juniors, Sophomores and Freshmen will be marked by the singing of their class songs and yells.

Jack Jenkins, winner of last year's oratorical both in Glendale and southern California, will then be introduced as chairman and the following speeches will be heard:

"Education, America's Source of Progress and Power," Kathleen Campbell, Sophomore.

"The Golden Rule as a Solution of the United States' Problems with Japan," Dale Wood, Junior.

"Abraham Lincoln," Arden Gingery, Freshman.

"Woodrow Wilson, the Dreamer and Doer," Francis Reed, Senior.

Motorman on Burbank Train Facing Arrest For Death Of Girl

Hartley Shaw, city attorney, reported to the board of city trustees last night that an examination of the transcript of testimony given at the inquest into the death of Miss Eugenia Lindsey, killed as the result of a collision between an auto in which she was a passenger and a Burbank train on the Pacific Electric line, clearly showed the motorman was violating a city ordinance. As a result the city attorney last night gave the police department a warrant to serve on S. J. Broswell, said to have been the motorman on the train.

It is also probable that criminal proceedings will be taken by the city against the Pacific Electric Railway company. It is said that civil proceedings will be taken by relatives of Miss Lindsey. A coroner's jury held the motorman was running the train at excessive speed and gave no warning to the automobile's occupants.

The city attorney also stated that he will, at the next meeting of the board, file an opinion relative to the petition presented by Mrs. Annie Bancroft and signed by about 600 persons asking that all trains stop at certain crossings in South Glendale and that the city abolish the speeding of the trains through the city's streets.

City Gives Help To C. E. State Convention

On motion of Trustee Henry, the Board of City Trustees last night unanimously voted to donate $300 and the use of the city's decorations to the committee in charge of the State Christian Endeavor convention to be held here June 25-29.

A committee composed of C. W. Ingledue, representing the Chamber of Commerce, A. L. Baird and Howard Brown representing the Christian Endeavor committee, appeared and requested the aid. Each spoke briefly. They told of the financial aid given by the Chamber of Commerce and also that the organization had promised to put fifty members into the committee's service.

Mr. Brown gave briefly an outline of past state conventions, the large number attending, the fact that all are young people and that they spent thousands of dollars in a convention city.

After the trustees had voted the $300, Mr. Baird announced:

"Every cent of the money will be expended in advertising Glendale up and down the state."

An eight-pound baby girl, the first to arrive at the Glendale Research Hospital, was born May 11 to Mr. and Mrs. L. L. Gabaig of 330 Oak street.

The bowling team of Glendale lodge of Elks No. 1289 will play in Los Angeles tonight when they meet team No. 1 of Los Angeles lodge of Elks No. 99.

Among those from Glendale who will attend the Los Angeles Men's City Club community sing today are Mr. and Mrs. John Hyde Braly of 505 North Brand boulevard.

Miss Barbara Mitchell and Miss Maragaret Dick were the guests Wednesday evening of Mr. and Mrs. M. Drohan of 1129 North Louise street, the occasion being the celebration of Mr. Drohan's birthday.

Mrs. Parkinson of Ivy street and Mrs. Duthie of 1226 North Lexington, who are here from Adair, Iowa, returned to Glendale Tuesday, after spending two weeks at the Alberta apartments in Long Beach, where they were at home to their friends.

The members of the local chapter of the Woman's Relief corps met this afternoon in their regular monthly business meeting held at the G. A. R. hall on South Glendale avenue. An interesting program was planned and a large crowd of ladies was expected to attend.

The Glendale lodge of the I. O. G. T. will hold its regular monthly meeting this evening at the home of A. N. Wyckoff on South Adams street. The first part of the evening will be set aside for a short business session, after which the Good Templars will enjoy a general social time.

Henry Fryer of 931 North Louise street entertained over the past week-end Mr. and Mrs. Henry Fryer, Jr., and their small son of Redondo. The junior Fryers are former residents of Glendale, having lived here several years prior to moving to the beach city.

The regular meeting of Glen Eyrie Chapter, O. E. S., No. 237, will be held this evening, at which time new members will be initiated. It is planned to have an entertainment for the matrons and patrons of 1921 and a ball the latter part of the month.

Dr. and Mrs. A. L. Bryant of 1635 South San Fernando Road had as their guests yesterday B. S. Jones of Spokane, Washington, who returned north last night after having been in Los Angeles several days on a business trip, and his sister, Miss Laura Jones of Los Angeles.

The junior auxiliary of the Glendale Music club will meet tomorrow evening at 7:30 at the home of Mrs. Spencer Robinson, 1234 East Windsor Road. Machines will be at the high school at 7:15 to accommodate those who have no other way of getting there.

Little Catherine Evans, daughter of Mr. and Mrs. W. E. Evans of 333 North Orange street, celebrated her eighth birthday anniversary Wednesday, May 11, having as her guests Doris Stamps, Barbara Stamps, Ruth Tower and Martha McCourt, Mrs. W. N. Stamps and Mrs. A. W. Tower.

Rev. C. R. Norton of 801 East Wilson avenue officiated last night at the wedding ceremony of Miss Janet Childs and Victor F. Dunsmore, both of Los Angeles and who have many friends in Glendale, who were united in marriage at the K. of P. hall on South Spring street in the presence of about 250 relatives and friends. The hall was very beautifully decorated with greenery and flowers.

The automobile party which left Glendale last Monday morning for a 12,000-mile tour over the United States and Canada is reported to have reached Fresno Monday night and to have continued north Tuesday morning. Those who are making this ideal trip are Mr. and Mrs. John Peebles, their two small children and Floy Reed, all of this city. The trip will extend over a period of six to nine months, the overland tourists planning to return to Glendale about the first of next year.

FOR USE IN CONTINGENCY

It was the first night of a new play.

"I say," remarked the author to the manager, "that scene-shifter over there is a most peculiar looking fellow."

"Yes; he's an Eskimo!" said the manager.

"An Eskimo! What on earth made you take him on?"

"Oh, I thought it would be a comfort to see one happy face if the play turns out to be a frost!"

WORDS, YELLS, SONGS TO RAISE RAFTERS AT TABERNACLE

HIGH SCHOOL'S CONTEST IN ORATORY IS TONIGHT; TAKE YOUR EARMUFFS, FOLKS

(Continued From Page 1.)

After the battle of words is over the classes will indulge in more singing, louder yelling and when the judges' decisions are read the enthusiasm will reach a pandemonious pitch.

It is customary for the winning class to carry their victor through the auditorium on the shoulders of the stalwart and chant until the lights are out and the crowds are gone.

In deference to the Chautauqua which is being held opposite the tabernacle ,the program for the oratorical has been so arranged that it will not interfere with the concert by the Orpheus Four.

More Room Is Needed

The reason that the tabernacle is being used is due to the fact that the Glendale Union High school auditorium now seats only 58 per cent of the student body and should the oratorical have been held in the latter place, not only the public but many of the pupils necessarily would have been excluded.

L. G. Sherman, A. F. Priest and Mr. Ennis will judge the booths.

Judges of the orations will be Patrick Milliken of U. S. C. law college, Professor Blanks of U. S. C. college of oratory and Miss Phillips of Cumnock school.

According to rumors this afternoon at the high school, the Freshmen will have a "log cabin" for their booth, the Sophomores will have a "stairway" to represent progress, the Juniors will have a globe typifying the world, with Japan on one side and the U. S. on the other. The Seniors will have the Ship of State carrying the world and their procession will represent all nations.

La Crescenta Notes

Mr. and Mrs. Seymour Thomas of Rosemont avenue entertained with a charmingly appointed tea last Sunday. Among the guests were Mrs. C. Q. Stanton of Mexico and Mr. and Mrs. Claude M. Grifith, Frederic A. Zimmerman and E. Harvey of Pasadena.

Mrs. C. Jennings Young, who has been ill, is much improved.

Mr. and Mrs. Gordon Blackwood and John Blackwood were guests at the Onondarker ranch.

Mr. and Mrs. Harvey S. Bissell returned from a camping trip last Thursday.

Mr. and Mrs. Howard Reynolds spent last week in San Diego and Coronado.

Mr. and Mrs. John Irwin motored to San Francisco last Monday, being called there on account of the serious illness of Mr. Irwin's mother.

The many friends of Mrs. C. E. Culberson, who has been quite ill, will be happy to learn she is much improved.

T. R. and F. J. Carpenter spent last Sunday with their parents, Mr. and Mrs. H. Carpenter of Mayfield avenue.

James Newton Porter, a prominent banker and broker, passed away at his home in Montrose Friday afternoon at 3:10 o'clock, after an illness of several months. Mr. Porter was born in Wetherford county, Texas, and was 68 years old. He spent a great many years in Globe, Arizona. Funeral services were held at the Jewel Undertaking parlors in Glendale Tuesday afternoon. Mr. Porter leaves two daughters, a widow, and a host of friends.

Mrs. M. A. Phillips of Montrose avenue entertained with a most enjoyable luncheon yesterday. The table was a flower garden of sweet peas and other spring flowers. Covers were marked for Mrs. F. A. Lewis of Hollywood, Mrs. E. Nicholes of Phoenix, Ariz.; Mrs. F. J. McCann, Miss Margaret McCann and Mrs. B. Burlingame.

F. Holbrook of San Francisco is the house guest of Mr. and Mrs. F. Czerwiski.

At the regular meeting of the La Crescenta Woman's club Wednesday afternoon the following officers were elected: Mrs. F. H. Anderson, president; Mrs. Seymour Thomas, first vice-president; Mrs. S. Young, second vice-president; Mrs. C. E. Culberson, recording secretary; Mrs. R. Nildhack, corresponding secretary; Mrs. H. Reynolds, treasurer. The directors elected were: Mrs. C. Turck, Mrs. M. S. Collins, Mrs. F. Czerniski, Mrs. E. N. Nettleton, Mrs. G. Peck. Twelve new members were voted in. Mrs. Louise Smith was hostess and was assisted by her daughter, Mrs. G. Wellington, and Mrs. F. Petters. Mrs. Seymour Thomas will be hostess next month at her attractive home, "Cuddle Doon."

Mr. and Mrs. H. A. Baldridge returned yesterday from a six weeks' trip to Honolulu.

Richard E. Steeve of Los Angeles has opened a drug store in the Dr. Weber building on Los Angeles and Montrose avenue. The room has been refitted and equipped with attractive furniture, a soda fountain and rest room.

Statement Issued By Chairman Of League

Editor The Evening News:—Having been prominently published in a Los Angeles evening paper of yesterday's date, an article which makes it appear that the Glendale Good Government league was formed for the purpose of combating a Sunday Blue Law issue in Glendale, which issue, in fact, does not exist, makes it imperative for this organization to emphatically disclaim any such purpose and to deplore any effort being made toward such a movement which undoubtedly would prove a setback to our city.

Resolutions setting forth the purposes of this organization will be published next week.

D. W. NICOLES,
Chairman, Glendale Good Government League.

H. S. Webb Pleased By The Evening News Ads

The pulling power of The Glendale Evening News for local merchants was demonstrated last week when H. S. Webb & Company, Broadway and Brand, advertised a big bargain in sport coats. The sale was for Saturday only and this paper was used exclusively to bring the buyers.

Before the coats were in stock six were sold, a score more were sold on Saturday and since then many women have obtained the bargains. So elated was Mr. Webb that he promisses the thousands of subscribers to The Glendale Evening News similar bargains in each Friday paper, as well as other days.

Mr. Webb has made arrangements whereby he can buy goods in job lots right from the mills and manufactories and he will offer the Glendale public the advantage of his buying power in every department of the big department store.

Central Avenue P.-T. A. Selects Its Officers

The regular business meeting of the Central avenue Parent-Teacher association was called to order yesterday afternoon by the President, Mrs. W. A. Campbell, following the May day festival given by the children of that school, resulted in the following officers being elected for the ensuing year's work: Mrs. C. H. Crawford, president; Mrs. E. Dodds, first vice president; Mrs. H. C. Frost, second vice president; Mrs. Farwell, secretary; Mrs. Hurbeke, treasurer; Mrs. H. H. Harris, parliamentarian; Mrs. C. M. Taylor, historian.

Inspiring Gathering Behalf Tropico Church

The Tropico Presbyterian church had an inspiring and enthusiastic prayer meeting Wednesday night as a result of the John E. Brown meetings. There were four times as many present as usual and many were the testimonies given and stories and anecdotes of the evangelist.

It was announced by the Young Peoples' society that the regular Sunday night service at 6:30 o'clock would be preceded by a social hour and refreshments. It is also expected that Paul Brown, state field secretary for the Christian Endeavor will be present. The young people are always glad to hear him.

Regular League Games To Be Played In City

Beginning next Sunday and continuing for fourteen weeks the baseball loving public of Glendale will be furnished with regular exhibitions of the national pastime, as the local Elks' team, which has been playing independently for several months, is a member of the newly-organized San Fernando Valley league. The circuit, which will be one of the fastest in southern California semi-professional circles, has just been formed, the opening games to be played the coming Sunday.

The aggregations that will be represented in the new league are those of the Glendale Elks, Lankershim, Van Nuys, Owensmouth, Lancaster, Lincoln Heights and New Methods. Each squad will play every other team twice during the season, and regular league records of the games will be kept. Glendale's first contest will be played on the home grounds next Sunday, Lincoln Heights being the opposing diamond artists.

A. Barlow Opens Curio And Antique Shop Here

The four great continents, Europe, Asia, Africa and America are represented in a quartet of steel engravings more than 100 years old which are on display at the newly-established antique and curio shop which has been opened at 624½ East Broadway by A. C. Barlow. They are encased in oval walnut frames which are a distinct rarity in themselves.

For the art connoisseur, these pictures will prove most interesting. Especially good is the profile of the beautiful model in the one called "Afrique." These engravings are a part of the late Judge L. H. Pike collection of Toledo, Ohio. His widow is now a resident of Glendale and many pieces of his curio collection are now for sale.

Mr. Barlow intends to hold several auction sales in the near future and will carry a large stock as soon as salable articles can be obtained.

High Praise Is Given To Research Hospital

Dr. H. N. Mayo, a relative of the far famed Mayo brothers of Rochester, Minn., was a visitor in Glendale yesterday and accompanied by Judge Harry M. Miller he visited the new Glendale Research hospital. The physician, who has an established practice in Salt Lake City, was high in his praise for the equipment to be found in Glendale's newest institution for the care of the sick.

After carefully inspecting the building among others who were present, for yesterday was hospital day in honor of Florence Nightingale, Dr. Mayo went out of his way to call at the office of the R. L. Kent company, 130 South Brand boulevard, to congratulate Mr. Kent on the construction and convenient arrangement of the building.

At the present time Mr. Kent's force is designing a $50,000 clinical hospital for Los Angeles people on account of the praise won among the medical profession for the Glendale Research hospital.

C. B. Neff Is Purchaser Of Sprenger's Bakery

C. B. Neff, a recent arrival in southern California from Bellingham, Wash., has purchased Sprenger's Bakery at 518 East Broadway from S. H. Sprenger who had successfully conducted the business for several years. Mr. Neff's son has been a resident of Los Angeles for some time and recommended Glendale as an excellent location. As soon as suitable quarters can be obtained, Mrs. Neff and three daughters will move to Glendale.

Mr. Neff will carry a complete line of bakery goods, catering both to the retail and wholesale trade. The latter has been built up to a large extent by Mr. Sprenger. The purchaser also contemplates the installation of modern machinery and will remodel the place.

Dr. C. Stuart Steelman Opens Burbank Office

Dr. C. Stuart Steelman's ever-increasing business throughout San Fernando valley has necessitated the opening of an office in Burbank. This branch will be located at 130 South San Fernando Road, in the new Walker building just being completed. It will be equipped with the latest and most modern equipment and will have elaborate reed furnishings.

VEGETABLE GARDEN MADE ATTRACTIVE BY C. A. FOX

MAKES TWO BLADES OF GRASS—ASPARAGUS—GROW WHERE ONE GREW BEFORE

Christian A. Fox, who recently purchased a home on Riverdale Drive, believes in making "two blades of grass grow where one grew before."

Mr. Fox is transforming rundown grounds into a fine example of what cultivation will do for the soil, by planting and setting out all kinds of berries, melons and vegetables. He says he intends to make it a berry ranch.

Mr. Fox is genial and hospitable, and enjoys working the soil. When asked how long he had resided in California, he answered:

"Do you see that tallest mountain in the distance?"

"Yes."

"Well, that was just peeping above the ground when I came to California."

Continuing, he said:

"I first came to this state in 1870, since which time I lived in Alaska and Washington for many years, returning to California a number of years ago, for the past four years residing in Los Angeles. I came to Glendale in order to live out-of-doors the greater part of the time."

Poisons Five Husbands, Charge Against Woman

LOS ANGELES, May 13.—Accused of killing five husbands by poisoning them with arsenic, Mrs. Lydia Southard, 28, formerly a waitress in a Los Angeles cafeteria, was arrested in Honolulu, according to a cablegram from the chief of police there to local officers. Her arrest came at the end of a long and tangled trail which led from her home in Lebanon, Mo., to the Hawaiian islands.

Mrs. Southard is accused of killing two husbands in Missouri, one in Butte, Mont., and two in Twin Falls, Idaho. She is said to have collected about $10,000 insurance.

Her arrest was the result of an investigation conducted by Deputy Sheriffs J. B. Fox and J. E. Nolan, of Los Angeles, working with V. H. Ormsby, county detective from Twin Falls, who came to Los Angeles eighteen days ago, after the bodies of two of Mrs. Southard's husbands had been exhumed and arsenic discovered in their stomachs, according to the Twin Falls authorities.

Officers declare that during her stay in Los Angeles Mrs. Southard, or Lydia Trueblood, as she is known to the authorities, was the cause of a quarrel between two prominent automobile dealers which almost resulted in their dissolving partnership. Both men are said to have been in love with her.

Old age is never respected in debts or promises.

Apartments Are Closed; Blame Excessive Rents

CHICAGO, May 13.—Hundreds of apartments in Chicago are vacant, due to the excessive rentals.

Tenants were unable to pay the increased rents asked on May 1 and moved out. Many stored their furniture. Others built or bought little homes. In many cases the landlords have been unable to obtain a new customer at the high rates asked. Rent signs are in front of nearly every apartment in the Gold Coast neighborhood, where rents have been increased five and six times in the last few years.

A typical case was cited by the Chicago Tenants' association today. Rent on four-room apartments in one building was increased on May 1 from $55 to $80. Eight of the twenty-four tenants moved out. The eight apartments are still vacant.

Agree on Emergency Bill for Immigration

WASHINGTON, May 13.—Conferees have agreed on the emergency immigration bill. It limits immigration for the next ten months to 3 per cent of the nationals of any country resident in the United States, under the 1910 census.

The house conferees agreed to elimination of an exemption in favor of religious refugees.

Out Of Work, Makes Protest Over Riddles

CHICAGO, May 13.—"We are starving for lack of work and they ask us riddles."

That was the comment of a few of the loiterers along West Madison street's port of jobless men on Edison's questionnaires for applications for positions.

"Since this stuff about Edison is being printed, every boss I hit for a job asks me to explain the nature of the fourth dimension," said Jake Barnes, who was found standing in front of a free employment bureau.

"I ask you what chance have the boys who haven't spent all of their lives studying the dictionary and the encyclopedia?"

It developed that many employers have adopted Edison's printed system and are compiling lists of questions of their own to put to applicants, more or less difficult, to test their mentality.

"In case Edison wants anybody to answer his list of questions, he might call on Ed Twedall, assistant in the Chicago library."

Twedell was the only man found in Chicago who knew the deepest place ever measured in the ocean, why they were called Virgin Islands and answers to sixty-five additional questions propounded by the wizard of quiz.

"Dear, dear, deer," could that be a test, asked Twedell as he penned the answer to the last of the conundrums. "Ask me some thing difficult."

Painting Preserves as Well as Beautifies

Millions of dollars of property values go to waste every year that could be saved if the simple rule of "save the surface and save all" were followed.

All deterioration begins at the surface. Unprotected wood, metal or stone is prey to weather and wear. But cover the surface with a strong elastic coat of paint or varnish and decay will be kept out—all will be saved.

Our lines of paint represent the highest standards of paint quality, durability, beauty and economy. They include finishes of proved merit for surfaces of every description. The benefit of our experience in supplying the best paints for every requirement is at your disposal. You will find our service helpful in selecting color schemes and choosing proper materials.

Congress To Plug Up Leaks In Dry Measure

WASHINGTON, May 13.—Congress today started the work of plugging up the leaks in the enforcement of national prohibition.

The "plugs" were found in a supplement to the Volstead law, proposed by Representative Volstead of Minnesota, which has the united backing of the anti-saloon league and most of the drys in congress. Hearings on the supplement were commenced today before the house judiciary committee of which Volstead is chairman.

The primary object of the drys in demanding legislation in addition to the Volstead law is to administer a knockout blow to the ruling of former Attorney General Palmer, that beer is a medicine and may be prescribed in unlimited quantities.

The drys want to make sure the new prohibition commissioner will not put the ruling into effect.

The action today marks the first step toward the amendment to the Volstead law, since it was enacted in October, 1919.

The main provisions of the Volstead supplement are:

Absolute prohibition against the prescribing of beer as medicine.

An embargo on the manufacture and importations of liquors until "the amount of such liquor in distilleries or other bonded warehouses shall have been reduced to a quantity that in the opinion of the prohibition commissioner will, with liquor that may thereafter be manufactured, be sufficient to supply the current need thereafter for all non-beverage purposes."

Greater restrictions on the use of alcohol in the making of patent medicines.

Extension of the law to the Virgin Islands and Hawaii.

Domestic Science Head Opens Fancy Bakery

Miss Cordia Umstead, for ten years a teacher of domestic science in a southern California university, has established a fancy bakery as a department in Sebastian's grocery at 143-145 North Glendale avenue. Only recently a soda fountain and confectionery department has been added to the rapidly-developing mercantile center at the corner of Glendale and Wilson avenues.

The bakery is equipped with the latest type of oven, an electrically-driven dough mixer and other conveniences which will save labor for Miss Umstead who plans to do catering for parties and a high-class family trade.

R. M. M'GEE GETS NEWS OF EUROPE THROUGH SON

LEWIS M'GEE, IN GOVERNMENT SERVICE, TELLS CONDITIONS OF AUSTRIAN CAPITAL

R. M. McGee, proprietor of the McGee Dry Goods store of 612 East Broadway, is in receipt of a letter from his son, Lewis, written in Vienna, Austria. Young McGee has been assigned to the U. S. Radio station at the Austrian capitol, where he is serving as a wireless operator in the American Relief Expedition. He will probably remain at his present duties for several months.

Mr. and Mrs. McGee entertained hopes and fully expected to welcome their son home last Christmas, but conditions at the time were such that a furlough could not be granted and he was transferred from Constantinople, where he had been stationed for two years, to his present location. He has not seen his parents for eight years, and at present it does not seem likely that such a reunion will take place within the next twelve months.

Enlisted During 1913

The present wireless operator enlisted in the United States navy in 1913 when a member of the junior class of the Glendale High school. Since then he has spent all of his time in the service and has traveled to practically every country in the world. His many local friends are anxiously awaiting his return to Glendale and will undoubtedly accord him a royal welcome on his arrival.

Mr. McGee writes that conditions are extremely critical throughout central Europe and that the different American relief organizations are performing a wonderful task in their various lines of restoration work. He states that the newly-organized government of Austria is very friendly to American reconstructionists, but that the majority of the people blame the United States for their present plight, as they claim they would have won the war if it hadn't been for our "intervention."

Says Tax Exemptions Cause High Charges

WASHINGTON, D. C., May 12.—The wholesale issuance of tax exempt securities is one cause of high street car fares, electric light and gas rates, Philip H. Gadsen of Philadelphia, told the senate finance committee.

Gadsen, representing the American Railway association, American Gas association and National Electric Light association, told the committee that public utility bonds had to carry high interest rates to compete with tax exempt bonds of the federal, state and city governments. This adds to costs of utility operations.

Gadsen's testimony, which was part of the revenue bill hearings, is one of many recent warnings against tax exempt securities. These warnings promise to bring about proposals for reform which will be among the three or four most important considered while tax laws are being revised.

Secretary of the Treasury Mellon favors such reform, having pointed out that with $15,000,000,000 tax exempt securities outstanding, any addition will reduce the national revenue. Chairman McLean of the senate banking and currency committee also favors corrective legislation and may present a constitutional amendment to allow congress to prohibit issuance of tax free securities.

Outlining the problem confronting public utilities Gadsen today said that they must sell their bonds largely to persons whose incomes are more than $10,000 a year and who therefore have to pay a surtax of 3 per cent or more.

Give Them Chance to Make Good, Says Cox

NEW YORK, May 13.—Let 'em alone—for the present. This sums up the attitude of James M. Cox, democratic leader, toward the republican administration, as given in an exclusive interview with the United Press here today. Cox is in favor of giving the administration a chance to "make good."

"The country had enough of political sabotage during the last term of President Wilson," he said. "There will be plenty of time for the democrats to perform the function of an opposition party after the republicans have an opportunity to demonstrate their capacity for running the government."

Cox made it plain that he did not wish to assume the role of a critic of the present administration. The only statement he would make regarding American representation on the supreme council, council of ambassadors and reparations commissions was that "it is impossible for us to keep out of it."

CREDIT BUREAU FOR CITY GREAT NEED, SAYS C. OF C.

MEETING TO BE HELD TONIGHT TO FORM ORGANIZATION; LETTER IS SENT OUT

In a letter addressed to the merchants of Glendale, the credit committee of the Chamber of Commerce of which C. E. Neale is chairman, has called a mass meeting to be held tonight at 115 West Broadway for the purpose of organizing a local credit association.

The slogan for the meeting will be "Double or treble your business by extending credit." The letter says in part:

"Do you believe in the future of Glendale, in its growth and its prosperity?

"If so, why do 60 per cent of our population spend their money in some nearby city and deprive you merchants and professional people of the business which is rightfully yours?

"Ask yourself the question why? Better merchandise and service? No. Prices cheaper? No. Any other The reasons? No.

"The Answer:—The merchants and professional men of the larger cities take no extraordinary risk by extending credit because they are ably protected by the Retail Merchants' Credit association of which they are members and which is also owned and operated by the local merchants on a non-profit sharing basis.

Lose Money, Is Claim

"So let us see if you are a wide-awake merchant and treble your business. Establish your own Credit Association and give to the people of this community the privileges extended to them by the larger cities and keep our business at home.

"Do you know that you are losing hundreds of dollars a month in business because we cannot accommodate the customer by giving him credit with safety.

"Do you want to keep behind such towns as Pasadena, Long Beach, Pomona, San Pedro and several other towns in this vicinity who own and operate their own Credit Associations?

"The Board of Directors of our Chamber of Commerce are for the establishment of this Credit Association as they feel as merchants and professional men that we need such an organization to help make Glendale a more important link in national and local affairs, and to establish itself among the credit-seeking community as having an association for the protection of credit and to keep the undesirable from our doors."

Further Reduction in Wheat Price Expected

CHICAGO, May 13.—The consumer will get the advantage of the abundant wheat crop is now the prospect, according to millers and other experts on the grain situation.

When the new wheat starts coming in, cash wheat is expected to drop again, and if it does the drop will be reflected in flour prices, millers declared.

Flour is now selling at about $4 a barrel under the quotations of last September, when the price first started downward, and $1.50 below the first of the year.

"Flour prices change with the price of cash wheat," John S. Pillsbury of the great Pillsbury mills at Minneapolis said to the United Press.

"There probably will not be any change in the price of flour until the new crop appears, when cash wheat should be easier."

Extent of the price drop will depend entirely on how fast the new crop comes to market and on the export demand, Pillsbury explained.

HUMOROUS PICTURE IS FEATURED AT PALACE GRAND

'FATTY' ARBUCKLE IS SHOWN IN 'DOLLAR A YEAR MAN' IT'S A SCREAM

Remember the dollar-a-year men? There were lots of them during the war and they did a great service for the country. Walter Woods saw in this an idea for a humorous photoplay for Roscoe "Fatty" Arbuckle and wrote, "The Dollar-a-Year Man." This was shown at the Palace Grand theatre yesterday with excellent results. It is the feature again today.

The story concerns the visit of a prince to a California coast town, with the local yacht club appointed as host. Fearful lest Pinney, their only plebian member, should slap their royal guest on the back, the club members lead him off on a trumped-up kidnaping plot. But the plot develops into a real one and Pinney, who is an amateur detective is given a chance to really show what he can do in the detecting line. He rescues the prince and then joyously slaps him on the back all during the ensuing banquet, and to the surprise of the club members, the prince slaps back. "Fatty" is at his best in this new picture and he is given excellent support by Lila Lee, Winifred Greenwood, J. M. Dumont, Edward Sutherland, Edwin Stevens and Henry Johnson.

Oh, yes! There are surprise features on the program in addition to the jolly joy boy and the "Merry Wives of Windsor" overture, as well as the other musical numbers by Nils Gilliam and the Palace Grand orchestra prove equal to the pictures. Tomorrow Buster Keaton stars in "Hard Luck."

Claims of Protection Will Be Investigated

WASHINGTON, May 13.—The claim of Grover Cleveland Bergdoll in a statement to the United Press at Eberbach, Germany, that American representatives have agreed not to molest him in the future, will be investigated by the special house Bergdoll committee, Chairman Peters said.

Peters and other members of the committee manifested great interest in the United Press dispatch, which will be placed in the record.

At both the state and war departments today it was officially denied that any agreement not to molest Bergdoll had been signed by American representatives.

"American representatives signed no agreement whatever and would have no authority to do so," said Secretary of War Weeks.

"We are going to get Bergdoll," he said, emphatically. "I don't know whether or not we will get him while I am in the department, but we will get him."

The opinion was expressed by some members of the committee that Bergdoll's claims of promise of immunity from apprehension when Neuff and Zimmer, the two Americans who attempted to capture him were released, is just another of his lies.

Surrender of Bergdoll will be made one of the conditions of the proposed peace treaty with Germany if Congressman Julius Kahn of California, chairman of the house military affairs committee, has his way.

"Bergdoll must be brought back from Germany," Kahn said. "I am sure that we can secure his surrender by the German government."

Kahn said he knew nothing of the alleged agreement made by American representatives not to molest Bergdoll.

Tidal Wave Of People Against Shores Of U. S.

NEW YORK, May 13.—The United States faces a tidal wave of Europeans seeking to enter this country before the new restrictive immigration laws become effective.

Commissioner Frederick A. Wallis, who made this statement in an interview with the United Press today, added that "it probably will be in effect, a race between congress and the immigrants."

"Reports from Europe indicate that people who had planned to migrate to America at any time within the next year are now frantically abandoning everything and besieging the American representatives there to vise their passports at once," Wallis said.

"This seems to be particularly true of Southern Europe, where our officials are already swamped by applications. If we are to handle the expected rush on that side we must greatly increase our examining forces.

"The greatest number of immigrants ever admitted to this country in one year was 1,218,480 in 1914. Under wartime conditions they made a drop of agout 100,000, then rose to 400,000 last year.

"Our maximum capacity in New York, with present facilities, is about 100,000 a month. Assuming the anticipated deluge materializes, there may be the greatest congestion in this port we have ever experienced."

Purity Squad Officer Is Put Under Arrest

SAN DIEGO, May 13.—One San Diego policeman is under arrest, another is suspended, and a number of United States custom officials are under investigation today as the result of statements made to Police Chief Patrick by W. J. Morrison, former Ti Juana liquor man.

Patrolman Charles F. Marrs of the purity squad is under arrest, charged with soliciting a bribe. Patrolman J. W. Mead, who worked with Marrs, has been suspended, pending an investigation of the case.

Morrison claimed that Marrs asked for "hush money" from bootleggers.

An expose of conditions at the Mexican line, where narcotics in big quantities are being smuggled across the line, as well as whiskey, is expected here. Bribe taking by United States customs men is alleged.

NO MORE EMPTY HOUSES

LINCOLN, Neb., May 13.—There are no empty houses in Lincoln and no rent reductions are in prospect, local real estate men declared today.

Foresight vs. Hindsight

While it is not possible for all of us to have the foresight with which Thomas Jefferson was gifted when he made the purchase of that vast tract of land known as the Louisiana Purchase, nevertheless we can in our own way look into the future with much greater confidence, by thoroughly studying present conditions.

Six, eight and ten years ago far-sighted men looked ahead and realizing the possibilities, erected business structures in Glendale, which have paid them handsome profits.

At the present time is the same opportunity. Glendale's marvelous growth demands more substantial business structures to properly take care of the fast expanding retail section.

As one of the larger construction companies of Southern California, we are at all times glad to go into detail as to the approximate cost and need for substantial business structures in this city and vicinity.

You will find us completely prepared to meet your every demand as competent structural engineers and contractors.

CITY CLERK MAKING FIRST PLANS FOR NEXT ELECTION

SOME CONFUSION MAY RESULT RELATIVE TO VOTING ON EDUCATION BOARD

The city clerk's office is getting the preliminary work done for the municipal election under the new charter provisions to be held on June 28 at which time offices of the city will be filled by a vote of the electors.

The principal difference of this event, as compared with former elections, according to J. C. Sherer, the city clerk, will be the fact that those portions of the Glendale grammar school district that are outside of the incorporated city of Glendale will have a vote on the board of education, but not on other offices.

Need to Know Them

Election boards will have to be acquainted to accommodate the voters of such sections, which include Casa Verdugo. This will require about two additional voting precincts, in the opinion of Mr. Sherer.

In the meantime, the obtaining of signatures on petitions for the nominations to the various offices will begin May 19 and all papers must be filed before June 3 in order that the names appear on the ballots.

T. W. Kitts Predicts Great Time For Elks

T. W. Kitts, who is connected with the firm of Cunningham, Curtis & Welch in Los Angeles, was a business visitor in Glendale yesterday. He is prominent in Elks' lodge circles and spoke very enthusiastically of the prospects for a big time in July when the "Brother Bills" father in national convention at Los Angeles.

Mr. Kitts stated that every motion picture concern in the neighborhood of Los Angeles will be represented in the mammoth electrically lighted night parade to be held one night during the convention. Several studios are planning the expenditure of $5000 in their floats and will have their featured players in the procession.

For those who remember the Elks' convention in 1915 at Los Angeles and the electrical displays of that period, it can be easily imagined what wonderful things are in store for the visitors this year.

Favor Public Control Water Power Sites

SACRAMENTO, May 13.—A movement to secure public control of California water power sites will be launched at a joint conference of the California League of Municipalities and the California Irrigation association to be held here tomorrow, it was stated here yesterday.

Power companies already have filed, under the federal water power act, claims to valuable power sites in the Sierra Nevada mountains and cities now have one year in which they can exercise prior rights on these sites.

The conference Saturday is designed to bring farming and town interests together on a program to secure state control of practically all such cites.

The legislature appropriated the sum of $200,000 to investigate the possibilities of a statewide irrigation project commonly called the "Marshall plan," and the conference here is expected to urge inclusion of control of power sites in the work to be done under that appropriation.

Prof. J. H. Weber Is Now Guest In Glendale

Prof. J. H. Weber, widely known oil and mining geologist, is the guest for the summer at the home of his brother, Mr. and Mrs. Louis Weber of 445 Palm Drive. In coming here after having toured the world in quest of the liquid lucre, Mr. Weber states that he has found no place more beautiful than this city. He is interesting oil capitalists in a hotel project and the two brothers contemplate the construction of apartments in the near future.

This newcomer declares that he knows practically every foot of ground in California from a geological standpoint and he has inspected thousands of oil prospects in every part of the globe. Right now he is interested in developing new fields within close proximity to Los Angeles.

Abe Attell To Have Hearing On Saturday

NEW YORK, May 13.—Abe Attell, former featherweight champion, named in the indictments in connection with the 1919 world series scandal, will have a hearing on a writ of habeas corpus here Saturday. After surrendering here he was released on $1000 bail.

Today is the favorite son of Father Time.

CARNIVAL TIME IN PHILIPPINES

The Philippines are the scene of many carnivals and celebrations, in which the natives dress up in gala attire, forming picturesque parades and pageants. Especially is this true in the "Moro" country where the natives are mostly of the Mohammedan faith and fond of bright colors. During carnival time the American bluejackets on duty in the islands join in the festivities in their own way and have as much fun as the natives.

The natives of the islands are small in stature and this probably accounts for their love of the large and grotesque. The picture above was taken during preparations for a carnival in Jolo and the natives are busy perfecting the large figures, much to the interest of Uncle Sam's two man-sized bluejackets who with camera in hand are investigating every procedure. This knowledge of the customs in foreign lands is often utilized in their own pageants and minstrel shows held on board the vessels while at sea.

FULL PUBLICITY IN DIVORCE, PLEADS MRS. STILLMAN

BECOMES TEST OF STRENGTH AND, SHE DECLARES, SHE WILL FINALLY WIN

By DALE VAN EVERY
United Press Staff Correspondent

NEW YORK, May 13.—"Both my husband and myself may go down in this smash. But 'Jimmie' Stillman will stay down. When the truth is known I will come up. I will be able to live in the United States. He won't."

This is Mrs. James A. Stillman's attitude toward her husband's divorce action as expressed to the United Press.

"This has become a test of strength," she declared, "but I am not afraid.

"One of us will always be able to go about among our friends and to belong to the world. I know which one it will be.

Great Change Results

"When this fight is finished I will be able to hold up my head anywhere in the world."

All the time Mrs. Stillman made these statements she was making every effort to avoid publicity, but the developments in last week's "secret" hearings—publication of letters alleged to have been written to her by Fred Beauvais and testimony of Dr. Hugh Retzell of Buffalo that she had "confessed" to him the 2-years'-old Guy Stillman was Beauvais' son—have wrought a great change in the situation.

Mrs. Stillman, it was learned today, is determined to renew her efforts to have the case thrown into open court believing she now has everything to gain and nothing to lose by such publicity.

She feels that the "secret" hearings place her at a disadvantage because of "leaks" which put her in an unfavorable light.

Attorneys for Mrs. Stillman were preparing evidence today to support her counter charges when the hearings are resumed May 19. These will center about "Mrs. Florence Lawlor Leeds," the auburn-haired ex-show girl, of whose two-year-old son, Stillman is alleged to be the father.

Mrs. Stillman generally speaks of Mrs. Leeds as "Flora." Sometimes she refers to her with quiet scorn as "Flossie."

To Face Baby Guy

James A. Stillman will be sitting face to face with Baby Guy when he is cross-examined on his charge that the child is the son of Fred Beauvais, Indian guide, according to plans of John E. Mack, the infant's guardian today.

When Stillman testified in the first secret hearing of his divorce suit, Mack reserved the right to recall him later for cross-examination. This questioning will take place May 19, when the hearing is resumed, probably at Poughkeepsie.

As the infant Guy is joint defendant with his mother in the bankers' suit, he will be brought to the council table and will sit there on his mother's knee.

Senatorial Outbreak Exaggerated, Is Claim

WASHINGTON, May 13.—President Harding has been assured by the Republican leaders of the senate that reports of senatorial dissatisfaction over American re-entrance into the councils of the allies are greatly exaggerated and that no considerable number of Republican senators are disturbed over it. Senator Lodge, Republican leader in the senate, and Senator Curtis, Lodge's chief lieutenant, called at the White House to convey this assurance personally to Harding, it was learned.

So important did Curtis consider the matter that he hurried to the president in advance of Tuesday's cabinet meeting to prevent the "break" between Harding and republican senators being discussed by the cabinet. It was not discussed, but it would have been, according to Curtis, if he had not gotten there first.

ENTITLED TO THAT

"I know what you would do if I were to die, Henry," said Mrs. Glipping, plaintively.

"What, my dear?" asked Mr. Glipping.

"You would go straight and get married again."

"I would not. I'd insist on a vacation of at least six months and defy any woman to deprive me of it."

FIVE ACTS AMATEUR VAUDEVILLE WILL BE PRESENTED

TRYOUTS WILL TAKE PLACE ON GLENDALE THEATRE STAGE TONIGHT; PICTURES, TOO

Five acts of amateur vaudeville, including professional tryouts, and the latest Ben Turpin feature produced by Mack Sennett, titled "She Sighed by the Seaside," and a big feature film round out a program of joy for Glendale Theatre patrons that is seldom equaled at regular prices.

As a fighter in a ring, battered, blinded and bloody, fights instinctively against odds, so fought "Sailor" Burke when he asked of the world against him only half a chance to make good. "Sailor" Burke is the two-fisted man of brains and brawn who wins your admiration and sympathy in the swift-moving, powerful and virile photoplay, "Half a Chance," which moved the Glendale Theatre to applause yesterday.

"Half a Chance," adapted from Frederic S. Isham's celebrated novel, is a Jesse D. Hampton production with Mahlon Hamilton as the star. It arouses every drop of red blood in you for the man who is convicted of murder on a frame-up, escapes while being taken to prison, is shipwrecked and cast on a desert island with a case of law books.

Ten years later he is a great criminal lawyer, and facing newer and greater dangers that he has to fight off with keen wits, a keen brain and the brute force that had at one time made him a star of the prize ring. The romance deftly woven throughout is as exquisite and tender as the hero is red-blooded and forceful.

State C. E. Officials Will Be Guests Here

By GLEN AND DALE

Saturday night of this week members of the state executive committee of California Christian Endeavor living south of the Tehachapi mountains will be the guests of local convention committee.

These young people are meeting here this week-end in order to complete records of their year's work, pray and plan for the program of the convention, June 25 to 29 and, of course, look over the convention city. Glen and Dale are not worrying about the reports they will give their own county and district organizations. Glen and Dale are glad to welcome this advance guard of the host of young people soon to be here.

Act Upon Applications For Removal Of Trees

Applications for the removal of trees from parkings were acted upon by the Board of City Trustees last night, in accordance with the following recommendations by T. W. Watson, city manager:

"I would recommend that the application of G. E. Stanford for the removal of pepper trees from parkway at 131-135 South Central avenue be denied. These are very fine trees and I see no reason why they should be removed at this time.

"Application of Mrs. W. W. Roe to remove pepper tree from parkway at 220 North Belmont street. This tree is not well placed and is a poor specimen. I would therefore recommend that the permit be granted on condition that an acacia mollissima tree be planted in its place."

ORDINANCE NO. 439

AN ORDINANCE OF THE CITY OF GLENDALE PROVIDING FOR THE ISSUANCE OF THIRTY THOUSAND ($30,000.00) DOLLARS BONDS OF MUNICIPAL IMPROVEMENT DISTRICT NO. 4 OF THE CITY OF GLENDALE, AUTHORIZED BY THE VOTERS OF SAID DISTRICT AT A SPECIAL ELECTION HELD ON APRIL 26, 1921.

WHEREAS, In pursuance of an act of the Legislature of the State of California, hereinafter mentioned, and amendments thereof, and of Resolution No. 1180 of the City of Glendale, passed on the 7th day of April, 1921, a special election was duly held in that certain territory contained within the boundaries of proposed Municipal Improvement District Number 4 of the City of Glendale, particularly described in said Resolution, upon the following proposition, duly and regularly submitted to the qualified electors of said district at such election, to-wit:

"Shall that certain proposed Municipal Improvement District known as Municipal Improvement District No. 4 of the City of Glendale, incur a bonded debt of $30,000.00 for the purpose of acquiring and constructing of works for distributing and supplying water to the inhabitants of such District, including the acquisition of lands, waters, water rights, easements, rights of way, structures, pipes, pipe lines, apparatus and all other property, and the constructing of mains, conduits and other works necessary for such purpose," and

WHEREAS, According to the returns of such special election as canvassed by the Board of Trustees of the said City of Glendale on May 2, 1921, the result of which canvass was then and there ascertained and entered and recorded according to law, more than two-thirds of all the voters voting at said election did vote in favor of incurring the bonded indebtedness as described in said proposition so submitted at said special election, thereby authorizing and empowering said Board of Trustees to issue the bonds of said district for the amount of $30,000.00 for the purposes aforesaid, payable out of the funds of said district, to be provided as in said Act prescribed, and

WHEREAS, The public interest and necessity of such Municipal Improvement District No. 4 of the City of Glendale demand that said $30,000.00 bonds of such district be issued and sold at the earliest practicable date for the purpose of providing funds for the aforesaid improvement;

NOW, THEREFORE, The Board of Trustees of the City of Glendale do ordain as follows:

SECTION 1. That bonds of said Municipal Improvement District Number 4 of the City of Glendale be issued in accordance with an Act of the Legislature of the State of California, entitled: "An Act to provide for the formation of districts within municipalities for the acquisition or construction of public improvements, works and public utilities therein; for the issuance, sale and payment of bonds of such districts to meet the cost of such improvements, and for the acquisition or construction of such improvements," approved April 20, 1915; and amendments thereof; that said bonds shall be thirty (30) in number, numbered one (1) to thirty (30), both inclusive, and shall each be designated "Municipal Improvement District Number 4 of the City of Glendale, Bond"; said bonds shall be of the denomination of One Thousand ($1000) Dollars each, and the principal and interest of each and all of said bonds shall be payable in lawful money of the United States; they shall be dated June 1, 1921, and shall bear interest at the rate of six (6%) per centum per annum, payable semi-annually on the 1st day of June, and the 1st day of December of every year. The Board of Trustees of the City of Glendale hereby fixes June 1, 1931 as the date for the earliest maturity of the principal of any of said bonds, and said bonds shall be payable in the manner following:

SECTION 2. That the form of said bonds shall be substantially as follows:

"No.——— $1000.00

UNITED STATES OF AMERICA
State of California
City of Glendale.
Municipal Improvement District
Number 4 of the City of
Glendale, Bond."

Under and by virtue of an Act of the legislature of the State of California entitled: "An Act to provide for the formation of districts within Municipalities for the acquisition or construction of Public Improvements, works and public utilities therein; for the issuance, sale and payment of bonds of such districts to meet the cost of such improvements; and for the acquisition or construction of such improvements," approved April 20, 1915, and amendments thereof, Municipal Improvement District Number 4 of the City of Glendale, in the City of Glendale, State of California, promises out of the fund hereinafter described, to pay the bearer on the 1st day of June, 19——, (year of maturity) the sum of One Thousand Dollars, with interest thereon at the rate of six (6%) per centum per annum, payable semi-annually on the 1st day of June and the 1st day of December of each year, upon presentation and surrender of the interest coupons hereto attached; both principal and interest payable in lawful money of the United States, at the office of the Treasurer of the said City of Glendale. The principal and interest of this bond are payable exclusively out of taxes levied upon the taxable property in said Municipal Improvement District Number 4 of the City of Glendale, and neither the City of Glendale, nor any officer thereof, is holden for the payment thereof otherwise. It is hereby certified that all requirements of the constitution and laws of the State of California and ordinances of said City of Glendale have been fully complied with by the proper officers in the issuing of this bond; that this issue of bonds has been authorized by a two-thirds vote of the duly qualified voters of said district voting on the question of such issue at a special election duly and regularly called and held in said district on April 26, 1921, and that provision has been made for the collection of an annual tax upon the taxable property of said district sufficient to pay the interest on this bond and the issue of which it forms a part, as said interest falls due, and also provision to constitute a sinking fund for the payment of the principal thereof.

In Witness Whereof, The Board of Trustees of the City of Glendale, the governing authority of said Municipal Improvement District Number 4 of the City of Glendale, has caused this bond to be signed by the President of the Board of Trustees and Treasurer of the said City of Glendale, and countersigned by the Clerk of said City, and the corporate seal of said City to be hereto affixed, and the interest coupons hereto attached to bear the fac-simile signature of said Treasurer, on this first day of June, A. D., 1921.

.....
President of the Board of Trustees of the City of Glendale.

.....
Treasurer of the City of Glendale.

Countersigned by

.....
City Clerk of the City of Glendale.

That coupons consecutively numbered shall be attached to each of said bonds for the interest accruing thereon, and said coupons shall be substantially in the following form, to-wit:

"$..... Glendale, Cal., June 1, 1921.

On the first day of..... (month of maturity), A. D., 19..... (year of maturity), Municipal Improvement District No. 4 of the City of Glendale, in the City of Glendale, County of Los Angeles, State of California, will pay to the bearer at the office of the Treasurer of the City of Glendale, the sum of Thirty Dollars ($30.00) in lawful money of the United States, for the semi-annual interest due on Municipal Improvement District No. 4 of the City of Glendale Bond, No.....(Number of Bond to which coupon is attached), this coupon being payable exclusively from taxes levied upon the taxable property of said district.

.....
Treasurer of the City of Glendale.

SECTION 3. That the President of the Board of Trustees and Treasurer of said City of Glendale are hereby authorized and directed to sign all of said bonds, and the City Clerk of said City is hereby authorized and directed to countersign said bonds and said bonds shall be delivered by said City Clerk to said Treasurer in such amounts as the Board of Trustees of said City may from time to time designate; and said Treasurer is hereby authorized and directed to sign all of the interest coupons of said bonds by his lithographed or engraved signature.

That the proceeds of the sale of said bonds shall be placed in the Treasury of said City of Glendale to the credit of a fund to be known as "Municipal Improvement District No. 4 of the City of Glendale Fund," and shall be applied exclusively to the purposes for which the same were voted, to-wit:

The acquisition and construction of works for distributing and supplying water to the inhabitants of such district, including the acquisition of lands, waters, water rights, easements, rights of way, structures, pipes, pipe lines, apparatus and all other property, and the constructing of mains, conduits and other works necessary for such purpose.

SECTION 4. That for the purpose of securing and providing for the payment of the principal and interest of said bonds, there is hereby created a fund in the Treasury of said City to be known as "Municipal Improvement District Number 4 of the City of Glendale, Bond Interest and Sinking Fund." That all the money which from time to time shall be placed in said fund shall be, and is hereby set apart exclusively for the purpose of meeting all sums coming due for principal and interest on all of the aforesaid bonds which may be issued under the proceedings hereinbefore recited. That for the purposes of paying the principal and interest of said bonds, the Board of Trustees of the City of Glendale shall, at the time of fixing the general tax levy and in the manner for such general tax levy provided, levy upon the taxable property in said district, and collect annually each year, until such bonds are paid or until there shall be a sum in the Treasury of said City set apart for that purpose sufficient to meet all sums coming due for principal and interest on said bonds, a tax sufficient to pay the interest on said bonded indebtedness as it falls due, and also to constitute a sinking fund for the payment of the principal thereof on or before maturity. Said tax shall be in addition to all other taxes levied for municipal purposes and shall be collected at the same time and in the same manner as other municipal taxes are collected, and forthwith as collected shall be paid into the treasury of said City and placed in the said "Municipal Improvement District No. 4 of the City of Glendale, Bond and Interest Sinking Fund," and be used for no other purpose than the payment of the principal and interest on said bonds.

SECTION 5. The City Clerk shall certify to the passage of this Ordinance by the Board of Trustees, and cause same to be published once in the Glendale Sentinel-Progress, a weekly newspaper published and circulated in said City.

Passed this 12th day of May, 1921, by the Board of Trustees of the City of Glendale.

DWIGHT W. STEPHENSON,
President of the Board of Trustees of the City of Glendale.

Attest:
J. C. SHERER,
City Clerk of the City of Glendale.

E. C. HALE PROVES TO 'DEAR KATIE' IT PAYS TO TRADE IN GLENDALE

Makes Comparative Shopping Tour and Tells About Prices, Wear and Tear on Constitution

Glendale, May 13, 1921.

Dear Katie: I had quite a excitin' time yesterday and here is how it came to happen. For quite a while it has been a question as to why or not the people in Glendale shouldn't buy their goods in Glendale 'stead of goin' to Los Angeles, the way some of 'em do. And for a long time I been achin' to express (prepaid) my private opinion on the matter at hand and get some facts on the case. So I did.

And just to give anybody that was contrary to my opinion a fare example of things I decided to try by experiment whether or otherwise it pays to trade in Glendale.

Well, I made a list out of the needables at home and I went to Los A. on the street car.

On my list I had a bottle of catsup, twelve eggs, half pound of shinglers nails, scrubbin' brush, a pare of shoes and six feet of baby's ribbon.

I was goin' to buy just as cheap as I could so as to give the stores in Glendale the decision if they was to be any whatsoever.

Butcher Is Talkative

Eventually (why not now) I got to Los A. and I first went to the butcher shop and bought a bag of eggs.

Well, the man was kinda talkative and while he was rappin' up those eggs, he asked me, did I come from the east, what's my name, do I like Young Clara Kimball and what did I think about Dempsey and I said, "Yes."

Well, I got away finally and I went to the grocery store and got a bottle of catsup.

Next I went to a hardware store and I ast the clerk, "Do you keep nails here?" And he said, "Naw, we dont' keep 'em—we sell 'em."

That took me in surprise, but I come back with a left hooker when I said, "Well, you're goin' to keep 'em this time," and out I walked and showed my independant nature. Then I wondered could there be any clerk in Glendale that could be so impolite like that to a innocent consumer of nails.

So I went to another hardware store and got my nails where I got nicer treatment.

Then I walked three blocks to a drug store where I got six feet of baby's ribbon.

From there to the 10-cent store, where I got a scrubbin' brush for 15c. And then I walked eight blocks to get to a shoe store. I passed nineteen shoe stores on the way, but the faster I walked the cheaper was the shoe signs, so I went in and a man said to me: "Well, what do you want?"—just like that. But I didn't make no answer, 'cause I wasn't mad at nobody, Katie. I said, "What have you got in shoes?" And he said, "A wife an three kids." I guess he was kiddin' me, 'cause he told me to sit down. So I did. He brung a pair of shoes that I liked but they was awful tight and he said I would have to wear 'em a few times afore I could get 'em on. Well, I paid for 'em and decided to wear 'em home and carry the old ones. My shoppin' was done and with my arms full of bundles I started for Sixth and Main streets to get my car for home and Glendale.

I walked along the street kinda careful, 'cause my new shoes were slippery and I was carrin' eggs, catsup, nails, scrubbin' brush, my old shoes and six feet of baby's ribbon.

But careful as I was with my feet one of my shoes slipped and "bam" goes the bottle of catsup onto the sidewalk, all of which was a joke on the catsup.

But I was getting' made at myself 'cause I was so awkward and I was havin' more trouble as a claim clerk in a R. R. office.

A pretty girl full of simpathy smiled right at me and so I laughed and left the catsup and went on my way.

Begins to Get Mad

At the next corner a disgust of wind lifted my hat and wafted it disgracefully into the gutter. I set down my packages on the curbin' wile I went after my hat. I picked it up and it was all dirty. I wiped it off with my hand and stuck it on my head and when I found that some evesdroper had stolen my package of nails I began to get mad as a bull frog in a china closet.

People was lookin' at me, so I picked up the rest of my bundles and walked away again and I wasted another half a hour to go get some more catsup and nails.

I got onto the car at last and I had the nails and catsup tied together with six feet of baby's ribbon.

Well, Katie, I got home without any more accidents only to find one egg broke and in a serious condition.

Shopping in Glendale

Well, I didn't say nothin' to nobody about my mishaps and today I went down in Glendale to get some prices on the aforesaid mentioned artikles, so as I could compare prices. and I was surprised. I went home again and took a piece of pencil and a paper and figured it all out.

Liars do figure, but figures don't lie:

	Los A.	Glen.
12 eggs	$ .33	$ .35
Bottle catsup	.24	.25
Half pound nails	.04	.04
Scrubbin' brush	.15	.10
Six feet baby's ribbon	.06	.06
Pare of shoes	6.98	6.00
Car fare	.30	.00
1st pkg. nails (stole)	.04	.00
1st catsup (broke)	.24	.00
Total	$8.38	$6.80

Buy at Home, Save Money

Katie I ain't got much to say only that I know one guy that will do his shoppin' in Glendale from now on and thereby save money, time, damages, car fare and my temper.

And I know I will get civil service and have my things delivered, too.

However, I ain't got nothin' again Los Angeles.

There is no other place like it—thank the Lord.

Economically Yours,
E. C. HALE.

Ground For Street To Be Sold At Auction

Following the reading of a communication from T. W. Watson, city manager, relative to the extension of Garfield avenue from Mariposa avenue to Acacia street, the Board of City Trustees last night suggested that the Board of School Trustees, which controls the property required, offer it for sale, the city to bid for it. The action was taken on the following communication from the city manager:

"As reported to your board February 24 last a portion of the Acacia street school grounds is required for the opening of Garfield avenue as proposed. The school board has expressed their willingness to dedicate the ground required for street purposes provided the school property is not assessed to pay any cost of the opening of the remaining portion of the street. Upon investigation further, however, it was found that the school board has no authority to make such dedication. Accordingly it was suggested that the property be advertised for sale by the school board in the manner required by law with the understanding that the city would submit a nominal bid therefor just sufficient to comply with the provisions of the law. If this plan is acceptable to the city I understand that the school board will proceed to advertise as proposed.

"It would seem that this is about the only way that this strip of ground can be acquired for street purposes and inasmuch as property holders in that vicinity are very anxious to have these opening proceedings proceed I would recommend that the school board be requested to advertise the property for sale as suggested with the understanding that the city would submit a bid therefor in order to comply with the provisions of the law.

"I would also recommend that plans for the opening of Garfield avenue as submitted heretofore be proceeded with immediately, excluding from the ground to be taken the school property above referred to, also excluding from the assessment district the entire Acacia street school grounds."

Jack Hoxie Is Star In Ben Wilson Picture

The Ben Wilson Productions company was at the Astra Studio in Glendale yesterday filming the western scene for the forthcoming Jack Hoxie feature picture. Added to the picturesque cowboy clothing were some of the finest equine mounts ever seen here. Hardly a week passes without some Hollywood western company coming to Glendale to use the big set on the Astra lot, according to A. T. Dobson, general manager.

MINUTES OF CITY TRUSTEES

The proceedings of the Board of City Trustees in session at the city hall last night, as taken from the official minutes compiled by J. C. Sherer, city clerk, are as follows:

The board assembled at 8:10 p. m., all members present. The minutes of the regular meeting of May 5 were read and approved.

Brand Boulevard Hearing

The hearing of protests against the opening and widening of Brand boulevard at San Fernando road was called at this time. The clerk presented the written protests of Charlotte L. Phister, J. H. Gervais, B. M. Billings, O. S. & Carrie G. Richardson. No protestants were present. On motion of Trustee Robinson protests against the opening and widening of Brand boulevard were denied, all voting aye.

Lot Cleaning Protest

Protests were called for at this time against the assessments levied for lot cleaning and the protest of H. A. Harrison was presented and read, in which Mr. Harrison claimed that the assessment against lot 84, Grider & Hamilton Lomita Park tract, should be stricken off the list on account of the fact that the lot had not been included among those advertised. No protestants appeared in person. On motion of Trustee Bartlett, it was ordered that assessment against lot 82 be stricken from the assessment roll.

Application of Amy Crist

The postponed hearing in regard to the application of Mrs. Amy Crist, for permit to conduct a rest home on Boynton street was continued at this time. There were no protests against the granting of the permit on file. Mr. James G. Owen was present and expressed objection to the granting of permit, requesting that the board postpone action for one week.

Motion of Trustee Henry was adopted that the request of Mrs. Crist for permit to conduct a rest home be granted, Trustee Robinson voting no.

A committee was present representing the Chamber of Commerce and the Christian Endeavor and Mr. Baird addressed the board on behalf of the finance committee of the latter organization, stating that the sum of $2,000 is being raised locally for the entertainment of the visitors who will attend the Christian Endeavor convention; and requested that the city trustees donate $300 of this sum and agree to decorate the city with such material as the city has on hand. Mr. Ingledue as the representative of the Chamber of Commerce stated the action of that body in the matter, supporting the request made through Mr. Baird. Mr. Brown of the Christian Endeavor made a statement as to what had been done in other cities in the way of work and the entertainment of visitors, and a motion of Trustee Henry was adopted by the following roll call, donating the sum of $300 from the advertising and promotion fund, ordering that the request of the joint committee in regard to decorating be complied with. Roll call as follows—Ayes, Bartlett, Lapham, Henry, Robinson, Stephenson. Noes—None.

In Regard to Cemeteries

Mr. Owen and others addressed the board expressing their objections to the proposed ordinance regulating the burial of human bodies within the city, requesting that the board postpone further action upon the ordinance.

Mr. Bassett, representing the Forest Lawn cemetery stated that in his belief there would be no objetcion to the passage of the ordinance, if the people were made familiar with the plans of the cemetery company. Motion of Trustee Lapham was adopted, all voting aye that the matter be continued until May 26, 1921.

Map of Tract in Grand View

The question of the approval of map of tract 4198 in the Grand View district was taken up and discussed at considerable length. On motion of Trustee Henry, the map was returned to city engineer for his approval.

Removal of Side Walks

D. C. Anderson and M. L. Ogden in a communication to the board stated that the sidewalk in front of Lot 2, block T, Glendale Valley View tract has been placed inside the property line and requests its removal. Referred to the city engineer.

California Municipalities

Two communications were read from the League of California Municipalities; one requesting that the city be represented at a conference to be held in Sacramento, May 20, 1921, to consider conservation of the water resources of the state; and the other requesting information in regard to the operation of the public service department. The former communication was ordered to be filed and the latter referred to the superintendent of the public service department.

Ask for Refund

C. F. Herman asked for refund of $11 paid for a plumbing license for one year on the ground that he had done no business under said license and does not expect to do any. Referred to the city manager.

Memorial Day Celebration

Communication was read from C. E. Norton, chairman of the G. A. R. committee, by R. D. White, giving notice of a meeting to consider plans for Memorial Day celebration, to be held at the Intermediate school on Monday at 7:30 p. m., May 16; requesting that the city send a representative of the board to aid in making plans. On motion of Trustee Bartlett, Trustee Lapham was requested to represent the board on the committee.

Deed for Street Purposes

A deed was presented given by Edwards and Wildey conveying to the city lots A and B of tract No. 1592 for street purposes and on motion the same was accepted and ordered to be recorded.

Work By Private Contract

Applications for permits to do street work by private contract were presented from Ray J. East, S. P. Hansen and S. N. Brown, all being approved by the street superintendent, were granted.

Bids to Supply Automobiles

Bids were called for at this time and ordered to be opened for supplying the city with one roadster and a truck. The bid of Jesse E. Smith, agent for the Ford car, was opened, read and publicly declared as follows:

One new model T Ford roadster, equipped with electric lighting and starting system, $603.25; one Ford truck, $675.29. On motion of Trustee Henry the bid of Jesse E. Smith was accepted by the following roll call: Ayes—Bartlett, Henry, Lapham, Robinson, Stephenson. Noes—None.

Report of Rabies

A report was read from Dr. J. E. Eckles, health officer to the effect that there is at least one case of positive rabies in the city of Glendale and that at least one person and one dog had been bitten by the rabid animal. Recommendation was therefore made that the city adopt a resolution providing for the muzzling of dogs. On motion of Trustee Henry recommendation of the health officer was adopted and an order prepared by the city attorney was on motion of Trustee Bartlett adopted, all voting aye as follows: Ayes—Bartlett, Henry, Lapham, Robinson, Stephenson. Noes—None.

Report of City Forester

Report was presented from Frank A. Marek, city forester, in regard to the Camp Grove conference held in Long Beach on April 12, last, and same was ordered to be filed.

Demands

The following demands were presented and referred to the finance committee and later the finance committee reported back the following demands approved and on motion of Trustee Robinson warrants were ordered to be issued in payment of the same, by the following roll call: Ayes—Bartlett, Henry, Lapham, Robinson, Stephenson. Noes—None.

Report As to City Charter

The Hon. John Robert White appeared before the board and made a report as to the action of the legislature upon the charter of the city of Glendale. Mr. White stated that the charter had been adopted by the legislature and had been filed with the secretary of the state on May 11, 1921, which completes its ratification. He presented engrossed copies of the charter to the members of the board.

Widening Brand Boulevard

The city manager presented a communication in regard to the widening of east end of Brand boulevard at San Fernando Road. The communication stated that parties interested at the southeast corner of Brand boulevard and San Fernando road have requested that consideration be given to an alternative plan whereby object sought to be gained by these proceedings will be accomplished without taking as large a proportion of property as is contemplated under the present plan. On motion the recommendation of the city manager was adopted.

Opening of Garfield Avenue

The city manager presented a report in regard to legal proceedings for the opening and extension of Garfield avenue from Mariposa avenue to Acacia street. A portion of the ground to be taken for the street will have to be condemned from the school property. The recommendation is made that the plans for the opening of Garfield avenue as submitted heretofore be proceeded with immediately excluding from the ground to be taken the school property referred to and also excluding from the assessment district Acacia Street School Grounds. On motion of Trustee Lapham recommendation was approved and the city manager instructed to take up to the school trustees the question of purchasing from the school district by the city the necessary strip of land to be taken from the school property.

Verdugo Wash Channel

In a communication to the board the city manager called attention to the advisability of straightening the Verdugo Wash channel north of Opeechee Way for a distance of several hundred feet. He stated that the Newport company is willing to give necessary land for this purpose and is willing to pay a considerable portion of the expense, the cost to be estimated at $1500. It is understood that the Flood Control district of the county will recommend an appropriation of $600 towards this expense and that the Newport company is willing to give $400 toward improving the channel. The communication recommends that an appropriation of $400 be included in next year's budget for the purpose of carrying out this improvement. Referred to the committee of the whole.

Removal of Trees

The city manager recommended that application of G. E. Stanford for the removal of pepper trees at 131 to 135 South Central avenue be denied, and that application of Mrs. Roe at 220 North Belmont be granted. On motion of Trustee Robinson, recommendations of the city manager were approved and it was so ordered.

Purchase of Truck

The city attorney reported his approval on the agreement between the city of Glendale and the Packer Auto company for the purchase of a Moreland truck. On motion of Trustee Henry, the agreement was approved and the chairman of the board and the city clerk instructed to execute the same.

Report of Engineer

The engineer of the public service department reported very satisfactory progress in the construction of the 30-inch pipe line and of the reservoir.

Grade Ordinance Presented

Trustee Robinson presented an ordinance of intention changing the grades of Milford, Doran and Lexington Drive, which was read and laid over.

Action Reconsidered

On motion of Trustee Henry the previous action of the board at this meeting in regard to hearing of protests against lot cleaning, was ordered to be reconsidered. A motion of Trustee Henry was adopted that the hearing of protests against assessment as set forth in Resolution Nos. 1115, 1118, 1119 and 1120 be held on May 19, 1921, at 8 o'clock p. m.

Ordinances Presented

The following ordinances were presented, read and ordered to be laid over:

By Trustee Henry, ordinance ordering the widening of Brand boulevard.

By Trustee Robinson, declaring intention of ordering the laying out and opening of Garfield avenue.

By Trustee Bartlett, granting the Glendale-Montrose Railroad company a franchise.

By Trustee Bartlett, regulating and restricting the location of trades and industries and the location of buildings designed for specified uses in the city of Glendale, and for said purposes dividing the city into districts and specifying for each district the trades and industries which shall be excluded and the uses for which building or structures may not be erected, altered or used, etc.

Lot Cleaning Resolution

Trustee Henry presented a resolution declaring intention to order certain lots in the city to be cleaned, which was adopted as Resolution 1190, all voting aye.

Bond of L. C. Orndorff

The bond of L. C. Orndorff, garbage contractor, was approved by the city attorney and on motion accepted.

Bond Issues Approved

The city attorney reported that the $100,000 bond issue for the public service department and the $50,000 bond issue for Municipal Improvement District No. 3 had both been approved by Attorney J. C. Thompson of New York City to whom the same had been submitted. On motion of Trustee Bartlett it was ordered that the city clerk be instructed to advertise for bids for the purchase of the Glendale water bonds for $100,000 and for the bonds of Municipal Improvement District No. 3 to be opened at 8 o'clock p. m., May 26, 1921. On motion the clerk was also instructed to order the printing of the bonds.

Report Of City Attorney

The city attorney reported that he had secured a transcript of the testimony given before the coroner's jury on the death of Miss Eugenia Lindsey and in his opinion the facts justify action on the part of the city. On motion of Trustee Robinson the city attorney was instructed to file complaint against the Pacific Electric Railway company for violating Ordinance No. 400, in connection with the accident occurring on May 2, 1921, at the crossing of Los Feliz Road and Brand boulevard.

Ordinance Adopted

On motion of Trustee Lapham, an ordinance previously presented to the board providing for the issuance of $30,000 bonds of Municipal Improvement District No. 4 of the city of Glendale, was adopted as Ordinance No. 439, all trustees voting aye:

Adjourned.

LECTURE ON ARCTIC EXPLORATIONS IS EDUCATIONAL

LARGE CROWDS PRESENT AT CHAUTAUQUA; ORPHEUS FOUR ON PROGRAM TONIGHT

(Continued from Page 1.)

of provisions, and yet lost almost the entire outfit. Mr. Stefansson was of the opinion that seals could be caught in the icy regions far from land, and proved this by starting out with one sled, plenty of ammunition and equipment and only three men, all of whom returned safely, after having been gone many months.

He told how the weather bureau reports showed temperatures as high as 100 degrees above zero in the summer in what is supposed to be the "icy north lands."

At the close of his intensely interesting lecture he explained certain points by having lantern slides thrown on the screen and describing each picture.

This Afternoon's Program

The prelude this afternoon will be given by the Orpheus Four, which is a real quartet of musical artists, in addition to which there will also be a humorous lecture by Marshal Lewis Mertins, the only one of its kind during the entire week. The entire program this evening will be given by the Orpheus Four with promises of a fine program.

There will be a lecture at 10 o'clock tomorrow morning by the director, F. I. Drexler, whose subject will be "Mysteries in Books."

The program for tomorrow afternoon and the prelude for tomorrow evening will consist of the most unique musical program of the entire week. It is known as the Jugo-Slav orchestra. It is composed of six native-born Jugo-Slavs who dress in their native peasant costume and play their national musical instrument, the tamburitza and sing their folk songs and love melodies. They also play grand opera and popular music.

To Lecture on Russia

In the evening Tom Skeyhill will also give a lecture on "Russia." Mr. Skeyhill was with the Australian forces at Gallipoli, was wounded twice, shell-shocked and blinded. He was blind for two years and during that state made such a reputation in England and America as a lecturer and speaker that the Chautauqua sent him to Russia to study the situation there. It was a very daring trip as he had to be smuggled into the country and had to live there under disguise. He came back in March to tell his story to the Chautauqua patrons.

One Program Sunday

There will be one program Sunday at some time in the afternoon, exact time to be announced later and will include the entire afternoon and evening numbers.

An entertainment that kept the large audience in gales of laughter was that given at the Chautauqua yesterday afternoon by Miss Ada Roach and Miss Ruth Freeman. Miss Roach was inimitable in her Irish, Scotch, Swedish and Dutch character sketches, story telling, banjo and concertina numbers. Equally was Miss Freeman at the piano, violin or singing. She had a most pleasing voice of very sweet tone.

Some of the outstanding features of the afternoon performance were the singing of "There Is Something in the Name of Ireland," "Just a Smile," and the characterization of a school boy reciting "Grass" by Miss Roach; and the delightful vocal numbers by Miss Freeman who played the violin obligato at the same time and was accompanied at the piano by Miss Roach.

ORDER

Whereas, The City Health Officer of the City of Glendale has reported cases of hydrophobia during the last month in the City of Glendale, and

Whereas, The Board of Trustees of the City of Glendale deem it necessary on account of the prevalence of hydrophobia and rabies and for sanitary purposes,

Now, Therefore, In accordance with the provisions of Section 7 of Ordinance No. 118 of the City of Glendale, it is hereby ordered that all dogs within the limits of the City of Glendale shall be, and the same are hereby prohibited for four months from date of passage hereof, from running at large on any street, boulevard, alley, park or other public place in said City unless such dogs be securely muzzled or led by chain or line so as to effectually prevent them from biting any person or animal. It is further ordered that a copy of this order shall be published once in the Glendale Evening News and the Glendale Sentinel-Progress and posted in two or more public places in said City of Glendale, and it shall be the duty of the City Marshal, after twenty-four hours from the publication and posting of such order, to kill all dogs found unmuzzled, or running at large, contrary to this order.

Passed May 12th, 1921.

BOARD OF TRUSTEES OF THE CITY OF GLENDALE.
By Dwight W. Stephenson, President.

Attest:
J. C. SHERER.
City Clerk of the City of Glendale.
Glendale, Cal., May 12, 1921.

Plan For Widening Of South Brand Suggested

Protests against the proposed proceedings for the widening of the east entrance of Brand boulevard at San Fernando Road were overruled at the meeting of the Board of City Trustees last night on motion of Trustee Henry and a suggested plan by H. E. White and other interested property owners relative to the improvement, outlined by T. W. Watson, city manager, was referred to the committee of the whole for consideration. The city manager reported as follows:

"H. E. White and parties interested in property at the southeast corner of Brand boulevard and San Fernando Road affected by these proceedings have requested that consideration be given by your board to an alternative plan submitted herewith whereby the object sought to be gained by these proceedings, namely the widening of the entrance of Brand boulevard at San Fernando Road, will be accomplished without the taking of as large a portion of the property at that location as contemplated under the present plan. By the proposed plan the new property line will be located about ten feet closer to the present east line of Brand boulevard than is proposed by the present plan.

"Mr. White, and his associates, say that they are willing to dedicate the ground necessary to carry out the plan as revised if the improvements can be taken care of by the district that would have been assessed to acquire the ground under the present plan and also for the improvements later on and that this property not be assessed for the improvement.

"If agreement could be reached whereby dedication of necessary ground to carry out the plan of widening this intersection could be had without condemnation proceedings, the final improvement of the intersection in accordance therewith would be accomplished at least a year and a half sooner than if condemnation proceedings are required.

"We have discussed this matter with the Chamber of Commerce committee, Dan Campbell and Steve Packer, also with Clinton Booth representing the Brand Boulevard Improvement association, all of whom agree that revised plan would be satisfactory and that it would be greatly to the advantage of the city to hasten in this way the improvement of this intersection as planned.
